

School of Management Sciences (SOMS) organises a 2-day Workshop on Business Analytics in IESTS premises on 18-19 January, 2016 in collaboration with DATA BRIO ACADEMY. Analytics is currently an emerging area of management study with diverging opportunities and DATA BRIO ACADEMY is an accredited body of professionals in the discipline. The programme, thus, will help the management students grooming for the dynamics of corporate environment.

Prof S. K. Chakraborty
Professor-In-Charge Training & Placement
School of Management Sciences,
Indian Institute of Engineering Science and Technology
(Formerly Bengal Engineering and Science University, Shibpur)
