

Seminar and Felicitation Programme 2013

EVENTS

- A seminar on “Some Aspects of Mathematics in Computer Science” is going to be organized on 10th April, 2013 by the Department of Computer Science and Technology of Bengal Engineering and Science University, Shibpur at the ‘Alumni Seminar Hall’.
- On the same day, a felicitation programme will also be organized for the outstanding achievement in GATE by students of Computer Science department.

OBJECTIVE & BACKGROUND

The theoretical foundation in every discipline of Engineering has Mathematics as a basis. Computer Science is no exception. Thus, in this field of study, Mathematics has become inevitable for the growth and development of new and emerging scenarios.

The goal of this seminar is to make a humble beginning towards the goal of understanding and appreciation of the role of Mathematics as an underlying foundation and its far reaching applications in the ever expanding arena of Computer Science and Engineering. We have plans of organizing such lectures regular intervals.

The Seminar is designed to acquaint the participants with some of the aspects of Mathematics in Computer Science.

Talks to be delivered by the following speakers:

1. Probability Models in Computer science.

- By Dr. Murari Mitra
(Head of the Department, Mathematics, BESU)

2. Number Theory for Information Security.

- By Shri Sourav Sen Gupta
(Research Fellow, Cryptography Research Group, ISI Kolkata)

3. Group Theory.

- By Dr. Ajoy Kumar Ray
(Vice Chancellor, BESU)
