Thank you for the kind courtesy shown to our Mr. S. Banerjee when he telephoned you on 31.1.12.

As mentioned, a bright and lucrative career awaits your Final Year ( 2012 batch ) and Pre Final Year ( 2013 batch ) future engineers as defence services engineering officers with a starting salary of RS. 65,000 / - per month plus numerous benefits such as free medical treatment for self and dependants, free rations and furnished accommodation to name just a few.

Our excellent faculty of ex defence officers provide superb guidance for selection as officers in armed Forces.

Hence we shall be very grateful if you kindly allow us to show your budding engineers a short, video presentation which should take about 90 minutes.

Thank you.

Regards,

Lt. Col ( Retd. ) S.R. Bhattacharya.
