

**Department of Aerospace Engineering & Applied Mechanics
Indian Institute of Engineering Science and Technology, Shibpur**

NOTICE

2nd August 2016

Students, interested faculty members and alumni are hereby informed that a technical talk has been organised in the Alumni Seminar Hall on 8th of August, 2016 (Monday) at 5.00 PM. The speaker Mr A K Bhattacharya is an alumnus of the institute, 1979 batch Mechanical, currently serving the Indian Air Force in the prestigious position of the Air Vice Marshal. He is the recipient of the Honourable Ati Vishista Seva Medal and Vishista Seva Medal from the Government of India for his valuable contribution in Air Force.

Title of the talk: Present and Future Trends of Aerospace and Aeronautical Engineering

Mr. A K Bhattacharya is expected to brief us on the following topics:

1. His experiences in the Indian Air Force.
2. Modern Days warfare and research opportunities.
3. How the Indian Institute of Engineering Science and Technology can collaborate with the Indian Air Force in research and development.
4. Job opportunities.

All are requested to attend the technical talk. They are also advised not to bring with them any cell phones, cameras or media devices (due to security reasons).
