Office Order No. 1042/D(AA)/16

Date: 8 March, 2016.

**ORDER**

The system of sewerage (separate, not combined) that was laid long time earlier inside the institute campus that connected most of the buildings (academic buildings, student hostels, faculty and staff residences and many other important places, has run out of capacity or has become non-functional and the only sewerage Treatment Plant located at the eastern boundary of the campus has stopped working for a long time.

The total demand in the institute campus for next twenty years that has been estimated considering the enhanced student intakes, development of newer academic and other necessary activities and new buildings that have been proposed shows an indispensable necessity for a well planned sewerage system within the campus.

In this context it is of utmost and urgent necessity to formulate a Sewerage Planning for the institute campus for a time horizon of not less than 20 years.

This is for information to all concerned that in this context a "Sewerage Planning Committee" is constituted with the following members:

- |  |          |
|--|----------|
| 1. Prof. Aditya Bandyopadhyay, Professor, Department of Arch. T & RP, Dean, I.P. & M., | Chairman |
| 2. Prof. Chanchal Majumder, Asst. Professor, Deptt. of Civil Engineering,              | Member   |
| 3. Prof. Ashok Adak, Asst. Professor, Department of Civil Engineering,                 | Member   |
| 4. Sri Subrata Kar, University Engineer,   | Convener |

This is issued with the concurrence of the Director.

The Committee is requested to submit its report within one month time.
