

INDIAN INSTITUTE OF ENGINEERING SCIENCE AND TECHNOLOGY, SHIBPUR

Application form for an early EXIT from the 5 year integrated dual degree course

The option that may be exercised for an exit from the Dual Degree Integrated 5 year B.Tech—M.Tech program at the end of 3rd year to complete the course, ordinarily, in 4 years and to be graduated only with the B. Tech degree in the respective branch of studies.

The following are the salient points of this scheme.

- Applicable to all the current 6th semester dual degree students who are about to be promoted to the 7th semester after successful completion of their 6th semester course of studies.
- This option is IRREVOCABLE. Once exercised it cannot be changed

The option must be made in writing using the following form and submitted to the office of the undersigned on or before 30th March 2018.

Option status will be published on the website within a week from the last date of submission of the duly filled-in form to the office of the Dean (Academic).

Dean (Academic)

INDIAN INSTITUTE OF ENGINEERING SCIENCE AND TECHNOLOGY, SHIBPUR

Application for an early EXIT

I, Mr/Ms is a bonafide third year (6th Semester) student (Registration No.) of the Department of in this Institute, wish to opt for an exit from the 5-year Integrated Dual Degree (B. Tech – M. Tech) program to complete the course, ordinarily, after 4 years (1 to 8 semester) and ready to receive B. Tech degree only on successful completion of the course of study in the parent department as per the rules of this Institute.

I also understand that the option for the early exit is irrevocable and I am bound to accept the offer of this change of status from 5 year integrated dual- degree to 4 year with B. Tech degree only, in which I am taking part willfully.
