Dear Shri Subrahmanyam Ji,

One of the key priorities of the Government is employment generation and making employment opportunities accessible to youth throughout the country. The National Career Service (NCS) Project is being implemented by the Ministry of Labour and Employment to address the gaps in the employment market by strategic interventions and partnership with leading institutions and organizations. The NCS portal has been launched as a common platform that brings together stakeholders like Job Seekers, Employers, Counsellors, Local Service Providers, Trainers, etc. to facilitate in convergence of information and link job seekers with jobs. With the active involvement of the Central, State Governments and the industry, the NCS has over 89.24 lakh job-seekers registered on the Portal till 30th September, 2018. NCS has made available on the portal over 33.58 Lakh vacancies posted by employers from various sectors and the number is steadily growing. The portal also has a rich repository of career content of over 3600 occupations across 52 sectors which can be accessed by the job seekers, employment exchange officers, counsellors and other stakeholders. In this regard, reference is invited to DoP&T's OMs dated 13.06.2016 and 02.11.2016 (copies enclosed) vide which posting of vacancies is now mandatory on the NCS Portal. This decision has been taken in pursuance to the recommendations of Group of Secretaries on Good Governance for having a common unified portal for all vacancies.

2. The NCS Portal is a free-to-use portal and has a hassle-free registration process for various stakeholders. For comprehensive and effective services to be made available to the youth, it is envisaged that all students passing out from educational institutions are registered on the portal so that they have a one-stop shop for career related services.

3. In view of the above, I request that all higher education institutions under your Department including Universities, IIMs, IITs, NITs, IIITs etc. may be advised for integration of their respective portal with NCS portal to facilitate creation of common data base and availability of career related information at one place. In case of any clarification, Shri S.B. Singh, DDG(E) of Directorate General of Employment (011-23350896/mob. No. 9415545570; email: ddg-dget@nic.in) may be contacted. I would also request that contact details of the concerned nodal officer (s) from your Ministry may be conveyed to us for follow-up.
