DEPARTMENT OF HUMAN RESOURCE MANAGEMENT
INDIAN INSTITUTE OF ENGINEERING SCIENCE AND TECHNOLOGY, SHIBPUR

715   **08.05.2019**

No. _____   Date _____

NOTICE

Attention: Students of 2020 passing out batch) of all branches, both UG & PG/DD Students

It is hereby notified to all students of 2020 passing out batch (across all disciplines and courses), who are interested to join in campus placement activities for the session 2019-20 but yet to register in the **tnpsuite** (now renamed "Superset") portal, should immediately complete their individual registration process latest by 11.59 PM of **20th May, 2019.** It is noticed that though many students have already completed the process it appears that a good number of students are still left to comply with the requirement.

Students to note:

- All opportunities related to Placement, PPO, Industry Sponsored Competition, Seminar, Workshop, Guest Lecture, etc. would be communicated only through tnpsuite (Superset) and students not registered in the portal would not be eligible to participate in any of these processes.
- All the fields (as applicable) in the portal should be filled-in / updated. Any important field that remains blank may cause rejection of registration process.
- While uploading semester marks, percentage should be calculated from absolute marks, as mentioned in the marksheet. No conversion formulae for percentage to CGPA, or vice-versa would be acceptable.
- Students' profile (data) as available with the portal, would be shared with the external agencies (recruiters and others), whenever required. The onus to establish authenticity of the data entered in the portal would lie entirely with the respective students. The students are thus advised to record only authentic updated data in the portal.

For registration, a student can login through either of their Google, Facebook or Linkedin accounts. They should go to app.tnpsuite.com in the browser and click on the Social Media platform through which they wish to login to **tnpsuite** account.

Once they signup, then it would require a passphrase which would be **_IIESTS_**. Then the student should create the account using personal details (e-mail ID, mobile no, etc.). Then subsequently the fields should be populated with appropriate information to be filled in by the students.

Final Step: "Enrol" – All the 2020 passing out students should enrol in 2020 Placement batch by clicking the relevant option. Its important to note that unless they comply with this requirement, the registration would remain incomplete.

PRs may time to time visit HRM department (Sri Sudipta Das) to check and verify the comprehensive data sheet as filled in by individual students of respective branch and/or course so as to identify discrepancies, if any.

In case of any clarification required, designated Class / Placement Representatives may contact this department.

This may please be treated as URGENT and complied with within the stipulated deadline mentioned above.

(M. K. Sanyal)
Head of the Department

CC to :
1.   All Heads of Departments and Schools and Centres – with a request to kindly disseminate this information amongst the respective 2020 pass-out students.
