P.O. Botanic Garden, Howrah – 711 103, West Bengal, India**

**Project Code: DRC/MOIL -CON /MIN /SS/080/17-18**

**Department of Mining Engineering  
Indian Institute of Engineering Science and Technology, Shibpur  
Howrah-711 103**

**Ref.: Advt. No. MN 1435, dated 28.11.2018**

**Notice Inviting Quotations**

Sealed quotations are invited for the supply of water quality sensors, data logging and transmission units installation of data transmission systems at two mine sites as per the technical specification provided in section II. The relevant bidding document can be downloaded from the website. The sealed quotations should be submitted at the office of the Mining Engineering Department within 07 days from the date of publication of the notice till 5.00 P.M. The relevant bidding document can be downloaded from the website.

TECHNOLOGY, SHIBPUR**

**BIDDING DOCUMENT**

**(Project Code: DRC/MOIL -CON /MIN /SS/080/17-18)**

**Supply of water quality sensors and installation of data logging and  
transmission units at two mine sites near Nagpur**

**Under**

**R&D Collaborative Research Consultancy with Manganese Ore India Ltd.  
(MOIL)**

**Department of Mining Engineering**

**November 2018**

**SECTION I: TERMS & CONDITIONS AND IMPORTANT INSTRUCTIONS FOR BIDDERS**

1. Bidders are invited to submit sealed quotation for supply of water quality sensors and installation of data logging system as per Technical Specifications in Section II to Dr.Suranjan Sinha , Professor, Department of Mining , within seven working days from the date of posting of the tender notice in the website of this institution . .

2. No quotations will be entertained after last date of submission indicated in the website .

3. Date and time of opening of bid will be after seven days from the date of posting of this notice in the website and the place of opening of bid is office of the Department of Mining Engineering , Indian Institute of Engineering Science and Technology , Shibpur, Howrah-711103.

4. Bidders should submit the quotations in sealed cover in the Department of Mining Engineering in the following address:

**Professor Suranjan Sinha  
Department of Mining Engineering  
Indian Institute of Engineering Science and Technology, Shibpur  
Howrah-711103, India**

5. All bids should be submitted in ONE-BID (TECHNO-COMMERCIAL BID) Format in covers (Enquiry Number must be mentioned on cover).

**TECHNO-COMMERCIAL BID – Details of supply of water quality sensors and installation of data logging and transmission units in two mine sites near Nagpur (detailed specifications are mentioned in Section II) should be clearly mentioned in the bidding document . Please specify the payment terms along with the bid**

6. Taxes including GST should be mentioned separately. Inclusion of Tax/Levy at a latter stage will not be entertained.

7. Failure to comply with the terms and conditions, stated in this notice, will be deemed as breach of this agreement.

8. **Bills in triplicate should be presented for payment within 15 days of completion of work. No advance payment can be made. All bills are to be accompanied by Order copies and Challan Receipt. The Order Number is to be noted on both the Challan and the Bill.**

9. **Documents to be submitted with the tender:**

Tender Documents/Terms & Conditions in Original duly signed by the Proprietor / Partner/ Director of the Company as a token of acceptance of Terms & Conditions of Tender.

10. **Indian Institute of Engineering Science and Technology , Shibpur, Howrah reserves the right to accept / reject all or any of the tenders without assigning any reason whatsoever.**

We accept the above terms and conditions.

Dated:

Signature of Bidders/Suppliers

With date & Seal

## **SECTION II: TECHNICAL SPECIFICATIONS**

This part (Section - II) of the Tender Documents provide the information necessary for bidders to prepare responsive bids, in accordance with the requirements of the principal investigator of the collaborative project .

### Technical specification of water quality sensors

SI No	Items	Specification
1	TDS Indicating Transmitter with TDS sensor	Range : 0 to 1999 ppm Resolution : 1 ppm Accuracy : $\pm 1\%$ of full scale @30°C Calibration : 1 Point Manual Retransmission Output : 4 to 20 mA Isolated Mounting : Panel Mounted Dimensions : 96 x 96x 100 mm Supply : 230 VAC
2	pH Indicating Transmitter - Panel Mounted	Range : 0 to 14.00 pH Resolution : 0.01 pH Accuracy : $\pm 0.1$ pH Retransmission Output : 4 to 20 mA DC Isolated Mounting : Panel Mounted Supply : 230 VAC
3	pH Sensor – Industrial Type	Range : 0 to 14 pH Body : CPVC Max Temp : 0 to 80°C Operating Pressure : 0 to 6 Bar Type: Continuous
4	pH Indicating Transmitter - Panel Mounted	Range : 0 to 14.00 pH Resolution : 0.01 pH Accuracy : $\pm 0.1$ pH Retransmission Output : 4 to 20 mA DC Isolated Mounting : Panel Mounted Supply : 230 VAC
5	Water Sensor Data logging and transmission unit	Display: 20x4 LCD DISPLAY Enclosure: IP65 Supply : 230 VAC Modem: 2G quad Band Data Logging Api: custom Processor: 32bit ARM Cortex Input ADC channel: 8 ADC resolution : 16 bit SD card support: yes, Class 10

**Detailed scope of work is as follows :**

- (i) Supply of water quality sensors data logging and transmission units**
- (ii) Installation of data logging and transmission of water quality sensor data for continuous monitoring of online water quality parameters in two mines.**
- (iii) Data will be transmitted to a server at the mine office and customized to get continuous online data and graphs and generate SMS alerts to distant offices of mining company and government agencies.**
- (iv) Any other customization requirement based on mine site specific requirements**

**The bidder should have adequate experience , knowledge and expertise of supply of water quality sensors and installation of online environmental quality monitoring systems at different mine sites .**
