## Code of conduct for students

It is an accepted fact that teaching and learning process cannot continue effectively unless the environment is healthy and conduct for imparting education in which ideas can be generated and subject matters may be absorbed. To create such an ambience, it is the responsibility of the institute, particularly when it is to a great extent residential in nature, to inculcate appropriate moral values and maintain overall discipline in the Institute premises.

Besides in the competitive scenario prevailing in the job market at present, employers will be inclined to offer jobs to the students coming out of an institution where discipline prevails, courses are taught uninterrupted and academic excellence is held high.

When the above in view and also to uphold the glory of this premier institution, the Institute authority has laid down code of conducts which the students are require to comply with. Violation of any of the code of conduct will call for reprimand it deserves and ignorance shall not be accepted as an excuse for its non-observance on the part of the students.

Accordingly, students intending to take admission in Indian Institute of Engineering Science & Technology, Shibpur, are required to sign and submit the following undertaking before admission.

1. Students must carry identify Card at all times within the Institute premises.
