Subj : Involvement of your employees in the union activity of the Institute.

Dear sir.

As per the section 34 of the tender notice for providing manpower to IEST, Shibpur published on 24/07/2015, it was clearly stated that No association or union activity will be allowed by the manpower supplied by the agency and this document was signed by you and submitted to IEST, Shibpur. It is seen that many of your employees are participating in the union activities of the Institute. The section 34 also states that the outsourcing agency will replace any of its personal who is found unacceptable to IEST, Shibpur.

Shortly we will be sending the list of employees who are participating in the union activity of the Institute and we will request you to replace those persons as early as possible.

This is issued with the concurrence of competent authority

Thanking you
