It is a matter of great concern that almost 50% of our faculty members have not either posted/updated their resume in our website. The website does not contain any information on UG and PG detailed curriculum, industry academic collaboration, research & consultancy projects and so on.

The MHRD wants the Institution to upload the entire academic, research & consultancy, placement, incubation and other academic & research details of our faculty members in our website.

Prof. Pratik Dutta, Chairman, Institute Website Committee has already sent a mail to all the faculty members urging them to upload the details to our website.

The Heads of the Departments, Centres and Schools are requested to kindly ensure that the detailed information of their Departments, profiles of faculty members, officers, staff members, research scholars and students' achievements are immediately uploaded to [website@iests.ac.in](mailto:website@iests.ac.in).

For any queries, you may please contact Prof. Pratik Dutta/Ms. Sreejoyee Das/Mr. Abhijit Banerjee.

Please treat this matter as extremely urgent.
